Caſal, June 2. *N. S.* The Duke of Vendoſme arrived here the 31ſt paſt from the French Camp in the Breſcian, having in his way hither viewed the Fortifications of ſeveral Towns in the Milaneze and Montferrate. It is ſaid, That he intends to continue here till the French Forces in theſe Parts are all arrived at Fontanella, the Place of their Rendezvous, and then to put himſelf at the head of them and march to Turin, and lay Siege to that Place; and after having given the neceſſary Orders for carrying it on, to leave the Direction thereof to the Duke de la Feuillade, and return into the Breſcian, in order to command that Army which is to make head againſt Prince Eugene. The Fortifications of Vercil being entirely demoliſhed, the Cannon which was in that Town is brought hither, and planted upon our Walls. The French are erecting a great Magazine at Ivrea, for the Security of which the Count d'Eſtain is poſted with a Body of 4000 Men at a ſmall diſtance beyond that Place, as Monſieur Albergotti is on this ſide of it with another Body of French Troops.

Venice, June 6. The Abbot of Pompone arrived here two days ago with the Character of Ambaſſador from the French King, and is preparing for his publick Entry and Audience. The Electreſs of Bavaria went lately from hence as far as the Borders of Carinthia, intending to have returned to Munich; but the Court of Vienna not judging it adviſeable to ſuffer her to come into Bavaria, there being Apprehenſions at that time of an Inſurrection in favour of the Elector, ſhe came back the 31ſt paſt to Maeſtro, a Village about 5 Leagues diſtant from hence; and is ſince gone to Padua, where ſhe deſigns to continue ſome time. The Germans who were in Garriſon at Mirandola, and became Priſoners of War upon the Surrender of that Place, being about 400 Men, have lately been exchanged for a like number of French and Spaniſh Priſoners.

Rawitz, June 1. The King of Sweden is ſtill here; but it is believed that his Majeſty will ſhortly go to Elbing, near which Town all his Forces in Pruſſia are ordered to draw together. He has lately ſent a Train of Artillery thither, with a conſiderable quantity of Ammunition. A Diet is now aſſembled at Proſchowitz, in the Palatinate of Cracow, where many of the Nobility of Poland who are in the Intereſt of the new Elected King Staniſlaus are preſent; and it is ſaid, that a Propoſal will there be made about proceeding to his Coronation, of which we expect the Iſſue.

Cracow, June 4. *N. S.* The Diet which lately met at Proſchowitz is adjourned to the 22d Inſtant. The Muſcovite Forces in Lithuania are drawing together near the Weiſſell, with intent, as is believed, to make an Irruption into Poland; and the Swedes are making the neceſſary Preparations for oppoſing them. We hear that the Biſhop of Lemberg, having been required to perform the Ceremony of Crowning the new Elected King Staniſlaus, excuſed himſelf, upon the Pope's abſolute Commands to all the Clergy of this Kingdom not to concern themſelves in it: Whereupon the Biſhop is put under Arreſt; but he perſiſts in his Refuſal.

Falmouth, June 11. Yeſterday came in here the Wolfembourg and the Young Gentleman, both Privateers belonging to Fluſhing, and with them the Two Brothers of London, John Pedly Maſter, laden with Sugar, Logwood and Indigo, from Jamaica: This Ship was taken on the 8th Inſtant by a French Privateer called the Good Friend of Morlaix, but was retaken the day following by the Dutch Privateers above mentioned, which likewiſe made Prize of the French Privateer. Yeſterday alſo came in here from Plimouth Her Majeſty's Ship the Triton Prize, commanded by Captain Miles.

Briſtol, June 13. On the 10th Inſtant came in here from Jamaica the Suſannah, and yeſterday the Happy-Return, both belonging to this Port, having been 8 weeks in their Paſſage: The Men on board them ſay, That they left that Iſland very healthy.

Yarmouth, June 15. A great Fleet of laden Colliers from Newcaſtle is now paſſing through our Road to the Southward, under Convoy of ſeveral of Her Majeſty's Ships. The Solebay Man of War has lately brought in here as Prize a French Letter of Marque Ship, laden with Tar and other Goods from Norway, and bound for Dunkirk.

Weſtminſter, June 14. The Parliament met this day, and was Prorogued by Commiſſion to *Thurſday* the 6th of *September* next.
